## IMPORT TRADE CONTROL

New Delhi, the 4th October 1952

SUBJECT:—Import of drugs and medicines against quota licences for drugs and medicines.

No. 105-ITC(P.N.)/52.—Attention of the importers is invited to para. 10 of Appendix 'D' to July—December 1952, Red Book, according to which licences granted for drugs and medicines falling under Serial No. 87 and 109 will not be valid for the import of certain items. It has now been decided that licences issued for drugs and medicines should also not be valid for the import of the following pharmaceutical chemicals:—

Alum

Calcium Chloride

Carbon Dioxide Gas

Chromic Acid

Ferrous Sulphate

Glycerine

Hydrochloric Acid

Iron Ammonium Citrate

Magnesium Sulphate (Epsm Salt)

Magnesium Carbonate (Heavy)

Nitric Acid

Sodium Sulphate

Sodium Phosphates

Sodium Acetate

Potassium Acetate

Sodium Citrate

Potassium Citrate  
Strychnine Hydrochloride  
Sodium Bromide  
Potassium Bromide  
Zinc Oxide.

2. The following words should be inserted after the word "Citrate" in the list of essential drugs and medicines—Appendix 'D' to the Red Book for July—December 1952:—

"Excluding Potassium Citrate, Sodium Citrate and Iron Ammonium Citrate".

3. Import of these items for which orders have been placed before the date of issue of this notice will, however, be allowed clearance under the quota licences issued for drugs and medicines against the ten per cent. concession for nonlisted items in accordance with para. 2 of Appendix 'D'.

P. D. SRIVASTAVA, Joint Chief Controller.

#### IMPORT TRADE CONTROL

New Delhi, the 4th October 1952

**SUBJECT:—**Last date for the submission of appeals against orders of port officers refusing confirmation of provisional licences issued in respect of freely licensed items during January—June 1952.

**No. 104-ITC(P.N.)/52.**—During the period January—June 1952, provisional licences for certain specified articles were granted freely subject to the provision regarding their confirmation, as given in Section II of the Red Book for that period. In Public Notice No. 64-ITC (P.N.)/52, dated the 7th June 1952, the position regarding confirmation of provisional licences was further clarified. It has been brought to the notice of the Government that in several cases where the import trade controllers at the ports have rejected confirmation of provisional licences, applicants have appealed against the decisions of the port authorities. These are under careful consideration and final decisions in each case are being communicated to the parties, or will be communicated at a very early date. As, however, the parties have been given sufficient time to submit their appeals, if any, it has been decided that appeals or representations, if not already made, should be made to the head of the office (by name) from which the provisional licence was obtained together with full documentary evidence and a copy of the rejection letter, so as to reach him by the 14th October 1952. Appeals submitted after this date will not be considered. It may also be noted that repeated requests for review of the final decisions communicated to the provisional licence holders cannot be considered, and hence the decisions communicated to the party as a reply to their first appeal, should be treated as final. Further correspondence on the subject will be closed.

New Delhi, the 11th October 1952

**SUBJECT:—**Refund of import licence fee—procedure to be followed in claiming refund.

**No. 106-ITC(P.N.)/52.**—The attention of importers is invited to para 3 of the late Ministry of Commerce Notification No. 40-ITC/49 dated the 31st December, 1949, according to which fees once received were not refundable under any circumstances.

2. It has now been decided that refund of import licence fees will be allowed in the following three categories:—

- (i) Where the fee has been deposited in excess of the prescribed scale;
- (ii) where the fee has been deposited but no application has been made; and
- (iii) Where the fee has been deposited and application has been made but the item to which the application relates is placed on an Open General Licence on or after the date of application.

2. Request for refund of licence fees should be made to the licensing authorities to whom the applications were originally made. The licensing authorities after verification of the claims will subsequently forward the cases to the Headquarters' office which will finally consider the claims for refund of fees.

**SUBJECT:—**Import of Marble Slabs falling under Serial No. 234/IV of the I.T.C. Schedule during July—December 1952.

**No. 107-ITC(P.N.)/52.**—In the Red Book for July—December 1952 and this Ministry's Public Notice No. 62-ITC(P.N.)/52, dated 16th June, 1952, it was announced that 'No Licences' would be granted for import of articles made of stone or marble falling under Serial No. 234 of Part IV of the Import Trade Control Schedule.

2. It has now been decided that Soft currency licences will be granted to established importers for the import of Marble Slabs (Rough) only on the basis of a quota of 25 per cent of half of best year's imports of Marble Slabs (Rough) only.

3. Applications from Actual Users will also be considered. In addition to the Director of Industries' certificate usually required from them, the Actual Users should furnish the following information:—

- (i) Capacity.
- (ii) Value of indigenous marble purchased and used in the factory for manufacturing purposes during viz. January—June 1952.
- (iii) Value of imported marble purchased and used in the factory for manufacturing purposes during January—June 1952, together with the evidence of having purchased and used indigenous marble also along with imported marble.

4. The validity period of all licences issued will be upto the 30th June 1953 irrespective of their date of issue.

5. Applications in the prescribed form and manner should be made by established importers to the Import Trade Controller at port concerned and Actual Users to the Chief Controller of Imports, New Delhi. There is no time limit for Established Importers but it is in their interest to apply before the 31st October 1952. Applications of actual users will all be considered together and should reach the Chief Controller of Imports, New Delhi not later than the 31st October 1952.

**No. 111-ITC/52.**—In modification of para. 3 of the Notification of the Government of India in the late Ministry of Commerce, No. 40-ITC/49, dated 31st December 1949, in regard to levy of licence fee on applications for import licences, the following decisions in respect of refund of import licence fee are published herewith for general information. - (i) where the fee has been deposited in excess of the prescribed scale.
- (ii) where the fee has been deposited but no application has been made; and
